r. identification of st	ubstance / mixture			
1. Product Identifier				Mixture
Product Name	Lithium Buffer 4 NC			
Product Code	80-6003-04			
CAS Number				
Other Names	5056336800536			
IUPAC				
MFCD Number				
EC/EINECS				
REACH Number			Index-No	
	ed uses of the substand	ce or mixture and	uses advised anainst	
Laboratory use only			uses advised against	
3. Details of the sup	oplier of the safety data	a sheet

Safety Data Sheet

## 2. Conditions for safe storage, including any incompatibilities

Store in cool, well ventilated area. Keep container tightly closed. Keep away from direct sunlight.
No special requirements
No special requirements
No further information available.

## 3. Specific End Uses

For laboratory use only. To be used with Biochrom Amino Acid Analyzers.

# 8. Exposure Controls/Personal Protection

# **1. Control Parameters**

No Data Available

2. Exposure Controls	
General protective and hygiene measures	The standard precautionary measures should be adhered to when handling
Engineering measures	Ensure there is sufficient ventilation of the area.
Eye / Face Protection	Safety Glasses.
Hand protection	Nitrile gloves.
Respiratory protection	Respiratory protection not required.
Skin protection	Protective clothing.
Other personal protection advice	No data.

# 9. Physical and Chemical Properties

## **1. Physical and Chemical Properties**

Appearance	Liquid	
Odour	Slightly phenolic	
Odour threshold	No Data Available	
PH	3.50	
Melting point / Freezing point	No Data Available	
Initial boiling point and boiling range	No Data Available	
Flash point	No Data Available	
Evaporation rate	No Data Available	
Flammability(solid,gas)	No Data Available	
Upper/lower flammability or explosive limits	No Data Available	
Vapour pressure	No Data Available	
Vapour density	No Data Available	
Relative density	1.023g/mL	
Solubility(ies):	Water soluble	
Partition coefficient: n-octanol/water	No Data Available	
Auto-ignition temperature	No Data Available	
Decomposition temperature	No Data Available	
Viscosity	No Data Available	
Explosive properties	No Data Available	
Oxidising properties	Not oxidising	

## 2. Other Information

No additional information available

# 10. Stability and Reactivity

## 1. Reactivity

No unusual reactivity

#### 2. Stability

Stable at room temperature.

## 3. Possibility of Hazardous Reactions

No hazardous reactions known.

# 4.Conditions to Avoid

Direct Sunlight.

### 5. Incompatible Materials

Oxidising agents.

#### 6. Hazardous Decomposition Products

In combustion emits toxic fumes.

## 11. Toxicology information

1. Information	
Acute Toxicity	no data
Skin corrosion/irritation	No information available
Serious eye Damage/irritation	No information available
Respiratory or skin sensitisation	No information available
Germ Cell mutagenicity	No information available
Carcinogenicity	No information available
Reproductive toxicity	No information available
STOT-single exposure	No information available
STOT-repeated exposure	No information available
Aspiration hazard	No information available

#### 2. Additional

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known.

# 12. Ecological Information

#### 1. Toxicity

No information available

## 2. Persistence and degradability

No information available

## 3. Bio-Accumulative Potential

No information available

### 4. Mobility and Soil

#### No information available

### 5. Results of PBT & vPvB assessment

No information available

#### 6. Other adverse effects

No information available

#### 13. Disposal Considerations

#### 1. Waste Treatment Methods

*Disposal Operations* Consult state, local or national regulations for proper disposal.

Disposal of Packaging Disposal must be made according to official regulations.

#### 14. Transport Information

## Air (ICAO)

Not classified as hazardous for transport

# Road (ADR)

Not classified as hazardous for transport

### Sea (IMDG)

Not classified as hazardous for transport

### 15. Safety, health, environmental and national regulations

**1. Safety, health, environmental and national regulations:** Product is not subject to any additional regulations or provisions.

#### 2. Safety Assessment

No Chemical Safety Assessment

### 16. Other Information

#### 1. Other Information:

This safety data sheet complies to the requirements of Regulation (EC) No. 1272/2008

## 3. Disclaimer

The information provided on this SDS is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guide for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered as a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other material or in any process unless specified in the text
